What is the best side console money can buy? Answer is a 490 Renegade Side Console that is loaded with all the necessities to get you straight out on the water. It doesn't matter if you like to fish on rivers or reefs the 490 Renegade SC is built tough enough to handle the harshest of conditions.

Ultimately the Renegade has developed a legendry reputation for providing a substantially smoother and by default drier ride than its competition primarily due to its unique to Quintrex Hull design.

The 490 Renegade SC over delivers on all fronts, from its actual length of 5.2m and full offshore rated transom to its plumbed Live Bait tank this would have to be one of the most versatile boats in the Quintrex range suitable for rivers to reefs, creeks to coast you name it, this is perfect!
