Description

***THIS IS OUR LAST 2026 HULL ONE ONLY AT THIS PRICE

2026 Quintrex 460 Renegade Tiller Steer 60 hp EFI Mercury Four Stroke Alloy I Beam trailer ***This is our Budget busting get on the water for less

Ultimate Tiller steer boat with genuine capability * Offshore, Inshore, Rivers, Creeks and dams this boat does it all!!

This is our Budget busting get on the water now without compromising on the all important engine.

Built tough and built to fish the 460 Renegade TS is a roomy and stable fishing machine that has all the essentials and of course the smoothest and driest ride in class. And with an actual overall length of 4.8m the 460 Renegade is quite possibly the most versatile boat you will ever own.

Inshore / Offshore plus rivers and estuary are all locations you will see Quintrex 460 renegades and for good reason as they are not too big and definitely not too small.

Powered By the legendry 4 Cylinder 60hp Fuel Injected Mercury with its 3+3 6 year manufacture warranty, 3 year anti Corrosion warranty.

Riding on a Premium Quintrex Aluminium I Beam(Drive On)trailer you no longer have to worry about your trailer frame corroding away as these I Beam Alloy Trailers have far more longevity in fact not only will they outlast a steel Galvanized trailer but they are incredibly robust and ultimately support there load (Your Boat) far more effectively

Ultimately the Renegade is known and proven to provide one of the smoothest and driest rides when compared with like size boats! In fact the quality of ride is more often associated with a much larger boats! This is only possible due to its innovative and exclusive Blade hull shape that is only found on a Quintrex in fact this hull shape works so well that renegades are the best selling Quintrex Model In Australia Full stop.
