Due to our constant efforts to offer the finest products available, Mercury inflatables reserves the right to change specifications without notice.Equipment Hull
• Ideal for diving and fishing.
• Aluminium floorboards with strong interior construction (#1 & 2 floorboards are fibreglass).
• Inflatable keel forms a V in bottom of the boat for improved performance.
• Stainless steel towing eyes in transom, make ideal davit lifting points or towing eyes for water sports activities.
• ABS sheet laminated transom, eliminates transom maintenance. Includes plastic shim to raise motor height if necessary.
• Inside one way water drain.
Buoyancy Tube
• Available in Mehler Haku PVC or Achillies HP fabric
• 5 separate internal air chambers for safety.
• Semi-recessed air valves - self draining, internal spring-loaded quick seal system, with plug.
• Euro-style rounded and reinforced end cones.
• Easily accessible internal lifting eyes, make ideal davit lifting points.
• Ample grab ropes for easy exit / entry.
• Oar stowage.
• Rub strake.
