## Description

2021 Quintrex Fishabout Pro Honda BF 50 15 Hours Only Alloy Trailer

Latest Honda Four Stroke EFI 15 Hours Only

Balance of Honda Manufacturer Warranty until February 2028

2021 Quintrex Fishabout Pro first sold in February 2021 Powered By the latest Honda 50hp EFI four Stroke with a tiny 15 Hours on the clock fitted with Bimini and front and side clears plus Lowrance Hook 7" GPS combo and GME VHF Radio.

Genuine Ready to go now no more money to spend! No Waiting Time, In fact it even has a premium bait board complete with rod Holders.

Standard features include Bilge Pump, Navigation Lights, Quintrex Switch panel and Battery isolation switch that combined with the extras makes this a complete and ready to go now reality.

This boat has been reluctantly offered for sale due to a change in the owners circumstances.

The Honda 50hp is one of the lightest engines in its class not to mention features the latest Honda Fuel injection and HONDA patented BLAST technology (Boosted Low Speed Torque) Not only do they offer scintillating performance but are arguably the quietest and most economical four stroke money can buy.

Plus with the longest warranty in the Marine industry(3 Years More Than a Yamaha)gives you genuine peace of mind and that is priceless.

Factory Alloy C Channel trailer is about as good as it gets easy to use easy to tow equals easy to own.

It should be said that this hull rides like a much bigger boat providing a ridiculously comfortable ride due to its blade hull plus with the Bimini and front and side clears and that Brilliant Honda you will be able to do everything from fishing to cruising in absolute comfort with your biggest expense being your Beverage bill as your 50hp Honda will literally run on the smell of an oily rag yes they are that good.

Ultimately this boat with the balance of Honda Manufacturer Warranty until 2028 and optioned as is makes a lot of sense, If it was a car it would be a fully optioned demo with no kilometers and that makes this package more new than used.

For more information, please call Rhys or Scott
