The All new Quintrex 430 Fishabout is quite simply one of the best boats in the Quintrex range as it comfortably seats 5 Adults and comes with all of the must have options including 55 litre underfloor fuel tank, But most importantly this boat provides a substantially smoother and drier ride thanks to its Quintrex Blade hull and when powered by Mercury's legendary and proven 50hp EFI four stroke you quite literally have the best of all worlds!

Big boat features from its pod style transom complete with two boarding steps and a full size boarding ladder make boarding the boat easy on and off the water, In fact ease of use continues inside for deploying and retrieving the anchor with direct access not to mention ultra-comfortable seating for 5 and plenty of freeboard that makes moving about both easy and safe.

Overall length is now 4.57m and with its larger beam of 2.1 m all combined with the newest version of the blade hull simply produces a class leading on water ride that frankly punches well above its weight.

Other important details include a braked alloy trailer that can be legally and easily towed by just about any modern car is (No SUV Needed) is good news.

This package is powered by the Mercury 50hp EFI Four Stroke and it should be said that the 50hp Mercury is the most powerful engine in its class offers industry leading economy all delivered in A Typical Mercury Silky smooth and quiet Fashion and comes with the Gargantuan 6 Year Mercury national factory warranty and is perfectly suited to this boat

Ultimately the 430 Fishabout has as much if not more fishing space than a 5.5m Half cab with equal to and in many cases a smother and drier on water ride due to its Latest generation Blade Hull, Plus it fits in most garages is easy to tow and best of all with its Mercury is ridiculously cheap to run, In fact with its Gargantuan 6 Year Mercury factory warranty this boat is the very definition of a Box Ticker and you have to love that!
