Description

2024 Quintrex 460 Renegade BCM Centre Console 60hp Mercury EFI Alloy trailer

BCM 460 Renegade Centre console was devolved for fisherman that wanted more than the standard Renegade centre console could offer.

Our BCM Centre Console starts its life as a Factory 460 Renegade T/S with the underfloor fuel tank and Thrust bracket from factory fitted then we start by using 33% thicker alloy on the console so we can make it taller and wider with vastly improved ergonomics that include a better dash angle and by default enabling more room for modern electronics and controls, Plus by using thicker alloy it enables us to weld on the tube that holds our fully adjustable T-Top.

Also it should be noted that the all new open version of the transom is sensational with a significant increase in freeboard due to the height of the internal transom well this modification from Quintrex negates the need for the offshore well by providing extra freeboard without losing internal space it really is very good.

Plus we have just as much going on under the floor to provide extra support, strength and load sharing making our console part of the boat not some thing just screwed to the floor.

Also all of our BCM custom Centre consoles have Premium Australian Made Hy-drive Hydraulic steering fitted as standard so you can be assured of consistent exceptional quality steering for feel and performance without any of the problems that cable steering present in centre console applications.

What you Get for the advertised price ?

1 x BCM Renegade 460 Centre Console / 1 x Custom Adjustable Alloy T-Top and Canvas / Electric Bow thrust bracket / 77 litre underfloor fuel tank / Front cast platform with capacious storage / Fully plumbed live bait tank / Switch panel on console / Navigation lights / All round white light / Battery isolation Switch / Hydraulic Steering / 4 x Rod Holders in the side decks / Storage under the rear cast deck / 1 Quintrex TA 1100 Alloy I-Beam Trailer / 1 x Mercury 60 EFI Four Stroke Outboard / Mercury Smart Craft SC100 Multifunction Tacho / 2 x PFD type 1 / Flares / 2 Paddles / V sheet / Signal Device and tie down straps. 12 Months QLD registration for the hull and trailer.

What can you Add ?

In terms of options you are only limited to your imagination and budget and that includes extra Horsepower Electronics and Wraps

Ultimately If you have been looking for the perfect Centre Console then you have to come and have a look at this one especially if quality and value for money are important because we know the 460 renegade Hull is arguably one of the best riding and handling open boats on the market for its size.

Mercury now offers a 6 year warranty on its engines plus an industry only 3 year limited corrosion warranty! ****UP TO 2 Years longer than all other 4 stroke manufacturers Except Honda
