57 Islander Road Pialba QLD 4655

Description

The all new R530 builds on the foundations of the R525 by offering a more curvaceous cabin with enhanced head height and storage flexibility. However, the most striking addition is the reconfigured helm that will readily accommodate LARGE format sounder/GPS units up to 16." We reimagined all key touch points and storage options in an effort to maximise versatility. The cockpit is deep and generous enough to accommodate four (4) active anglers or a family of six. Employing our proven CRTSS chassis, the hull cradles its passengers with a soft and reassuring ride. Rear grab rails and secure toe rails enhance comfort while the low-profile transom door and deep side pockets cater to real world boaters. Another Aussie boating classic in the making.

Revised dash accommodates flush-mounted head units up to 16"

Deeper cockpit for enhanced safety and comfort

Even more storage options on deck and underfloor

Convenient rear step-through door

The centrally-mounted 100 fuel tank encourages long range missions while

enhancing ride comfort and stability at rest.

We have BMT Packages starting from \$59,990.00
