Description

The R580 is a family favourite and makes friends wherever it goes. Blending the versatility of a walk-through runabout with the added security of a generous cabin, the R580 features plush yet durable upholstery and tonnes of storage space that belies its 5.8m (19ft) length. A centrally mounted 130lt underfloor fuel tank provides enough juice for a weekend of on-water adventures while the large moulded fish locker underfloor will easily accommodate a big catch. Access the bow via the split-fold windscreen and hatch for added fishing options or utilise it as a dolphin watching zone, then cuddle up on the twin bunks when the day comes to an end. The cabin can also house an optional chemical toilet, for extended times afloat. Capable of heading out wide, the R580 is equally at home as a tow tug dragging watertoys around.

Flexible interior packaging enhances the R580's versatility., A wave-cleaving 21 degree deadrise for one of the best rides around, Efficient hull design allows you to utilise lower output engines for greater economy and range, CRTSS chassis ensures a soft dry ride and decades of boating pleasure, Drop in rear door and flip-down rear bench adds to the conveniences.

SO what do you get From us?

The all new 580 Revival

Dunbier Dual axel 2000ATM Trailer

Yamaha F115hp 4 stroke (other brands/sizes available)

Lowrance 9" Gps/sounder combo

Please note images used are for illustration purpose only and may show options including engines and or other features not included in the base package

And the best part is you can add a few options like you can see in the pictures for a surprisingly modest amount of money only reinforcing the fact that these locally built boats will enable you to get on the water in a boat for substantially less than a lot of others without any compromise and you have to like that

For more information please call Colin or Scott

Do You finance?

Yes we Finance, our Accredited Business Managers can provide approved customers with customised on-the-spot finance and insurance solutions.

Will you take me on the water in my new boat to show me how everything works?
