## Description

How do you make one of the best 7m Plate alloy Hard top Boats even better?

The answer is extraordinarily simple all you have to is bolt on One of the all New Mercury 4.6-liter V8 Pro Xs outboards and boom you have just created what is quite possibly one of the most fun and capable 7m boats on the Market full stop.

If you want a boat with Premium Offshore Ability and True Bar Crushing Capability That is only limited by your own skill and adventure level then this Boat, Motor and Trailer Package deserves to be at the top of your List!

Feature packed for fishing with more rod holders than your local BCF and all of the must haves like Live bait tank and transom door plus two very comfortable almost lounge like chairs under the hard top and this boat just keeps getting better.

This Package is pure and simple a combination of an awesome hull powered by arguably the best 200hp Outboard Money can buy riding on an alloy i-Beam Trailer all combining to provide you the opportunity to get on the water for less.

Yes we can provide different engine and boat options Just Ask

Yes we include 12 months QLD registration for the hull and trailer if required.

Full roller drive on Aluminium I-Beam 2750 ATM with Alko iQ 7 Electric brake away brake  
Some fast facts gained through actual on water experience in these boats.

How Does It Ride? The ride is about as good as it gets in alloy! Arguably not just better than most but substantially better.
