Description

2025 Yellowfin 6500 Centre Cab Mercury 175hp XL

One of the most compact and versatile boats in the Yellowfin range, the 6500 Centre Cab is the ideal boat for offshore fisherman that want to maximise their fishing platform. The boat is loaded with features like the Self-Drain Deck, hydraulic steering and a 230L fuel tank.

The widest boat in its class- a massive 2.4metres wide. So much room to get around comfortably even with the family on board. Not only does this width give you an amazing amount of space on deck but it increases the overall stability of the boat. Much thinking has gone into making the hull more useable.

The side decks are topped in soft rubber to provide great grip as you get in and out of the boat. Recessed stainless cup and rod holders are in all the right places. A well appointed and spacious dash gives plenty of room for electronics and a tall cabin gives headspace for even the tallest fisherman.

WHAT DO YOU GET IN THIS PACKAGE?

- Yellowfin 6500 Centre Cabin
- Mercury 175hp XL DTS complete with Vesselview 403 instrumentation
- Telwater 2600ATM Alloy Trailer
- Transom door
- 15lb anchor plough
- Dual marine AGM type batteries
- Mercury stainless steel propeller
- Self draining floor
