***12 MONTHS QLD REGO
***BE ON THE WATER TODAY
***BRAND NEW NEVER USED
***MERCURY 6 YEAR NATIONAL WARRANTY

The Quintrex F370 Is a lot of boat and with an overall length of 3.8m that combined with its 1.73 beam provides you with a capacious amount of space that is maximised with its unique fighter bow and hull design.

This boat is fitted with the Factory optional part floor that essentially makes the boat much easier to stand up and fish out of and with the optional transducer bracket you will never have to drill holes in the back of your boat to fit a transducer and that is gold!.

Riding on a genuine Australian Made Quintrex Alloy trailer you can be assured that this trailer will last substantially longer than any inferior galvanised steel option on offer! And you have to like that (Quintrex do not manufacture any Galvanised steel Trailers for any of their Boats)

Power is provided by what is arguably the best 15HP EFI fourstroke money can buy and being only 2kg heavier than the two stroke it replaced is simply sensational but it only gets better as the Mercury 15 is Identical to the Mercury 20hp as such this 15 punches seriously above its weight.

Ultimately if you want what is arguably one of the most capable and versatile 3.7 m to 3.8 on the market, like the idea of class leading stability and what is a proven smoother on water ride then this boat is at the top of the list and optioned at the advertised price is better than pre covid value!

WHAT YOU GET
Boat = 1 X Quintrex F370 OUTBACK With all Standard Features
Plus Quintrex Factory fitted Options of Carpeted Part floor and Transducer Bracket
Trailer = 1 x Quintrex Alloy 749kg ATM Australian made Alloy trailer
