Description

2026 NEW Quintrex 440 Renegade SC Mercury 50 EFI Four Stroke Alloy I Beam trailer

* Engine hoursepower upgrades or Yamaha engines are available. Please contcatus to discuss

Built tough and built to fish the 440 Renegade Side Console is a roomy and stable fishing machine that has all the essentials and of course the smoothest and driest ride in class.

Powered By the legendry Mercury 50 HP EFI Fourstroke - Mercury FourStrokes have long led the pack in clean, quiet, fuel-efficient outboard power - and now the gap grows even wider. We combined innovative engineering with advanced reliability and features to make our outboards run clean, stay quiet, and deliver smooth, responsive performance - all while cutting your fuel and maintenance costs.

Riding on an Upgraded Premium Quintrex Aluminium I Beam trailer being the TA1098 full drive on is a welcome improvement over the standard TA 1098 has a bullet proof I-Beam longevity is pure and simple as good as it gets.

Ultimately the 440 Renegade SC over-delivers every which way from its overall length of 4.68m to actual on water ability where the 440 Renegade provides a substantially smoother and by default drier ride than most that combined with its Mercury outboard and Alloy I-Beam trailer is genuinely Side console Nirvana that the rest can only aspire too!

What You Get
