Description

2026 Quintrex 610 Trident Soft Top - The Ultimate Fishing & Family Rig

Built to rule the Ocean, Quintrex's innovative Plate Boat range comes standard with the industry-leading Millennium Blade Hull, constructed from tough 5mm plate bottom sheets. Created using stretch forming technology, the concave flare of the side sheets and bottom sheets delivers a sharper entry point, increased deadrise and a narrower shoulder, allowing the Trident to cut through rough water like a knife. With unparalleled offshore performance, the Trident is the ultimate big-game fishing boat.

Powered by Mercury 150hp 4-Stroke

Whether you're chasing serious offshore action or planning relaxing weekends with the family, the 2026 Quintrex 610 Trident is the boat that does it all — with comfort, strength, and capability to spare.

Powered by a reliable Mercury 150hp 3000cc 4-Stroke this rig handles rough water with ease while offering the stability and space you need for fishing, cruising or overnight stays.
