Fresh to the Yellowfin lineup, this exciting new model is already turning heads with its aggressive styling, incredible offshore capability and serious fishability. We think it's going to be one of Yellowfin's most popular models yet and after seeing it in person, it's easy to understand why.

Whether you're chasing pelagics offshore, reef fishing or spending the day casting the flats, the new YF-58 is built to do it all. With Yellowfin's renowned offshore hull, premium construction and a layout designed by serious fishos, this package is ready for whatever adventure you throw at it.
