Due to our constant efforts to offer the finest products available, Mercury inflatables reserves the right to change specifications without notice.EquipmentHull
• Compact & lightweight inflatable boat, ideal boat tender. Easy to carry, comfortable and roomy.
• X Stitch air floor. Thousands of X-stitched fibres give much more rigidity than traditional drop-stitched air floor. Features non-slip patches for safety.
• Horizontal floor support thrust board.
• Inflatable keel forms a V in bottom of the boat for improved performance.
• Stainless steel towing eyes in transom, make ideal davit lifting points.
• ABS sheet laminated transom, eliminates transom maintenance.
• Inside one way water drain.
Buoyancy Tube
• Choice of Mehler Haku PVC or Achiiles HP fabric.
• 3 separate internal air chambers for safety.
• Semi-recessed air valves - self draining, internal spring-loaded quick seal system, with plug.
• Rounded end cones. Ideal for quicker planning & four stroke outboards, eliminates water backwash and provides better stability.
• Easily accessible internal lifting eyes, make ideal davit lifting points.
• Fold down rowlocks, for neat compact storage of oars and provides room for seating along the tubes.
• Durable grab rope.
• Dragon handles, soft and comfortable.
