Description

Mercury Racing propeller specialists have enhanced the performance of the three- bladeMirage Pluspropeller to strategic Lab Finishing specifications for maximum performance. Lab Finishing Technicians lab finish these popular Bravo One, X, XR and Sport Master sterndrive propellers by thinning propeller blade surfaces in specific areas, modifying the leading and trailing edges and balancing the propeller all for maximum efficiency. The propellers provide top performance in a variety of performance boat applications. The Mercury Racing Lab Finished Mirage Plus propeller is designed for vee bottom applications requiring bow lift. Offered LH and RH rotation in 23" - 29" pitch.
