Description

2026 Yellowfin 7000 Cabin Alloy I-Beam Trailer Mercury 3.4 L V6 200 hp DTS

**Perfect Boat Motor Combination

**Sensational Value For Money

**Arguably The absolute best 200 hp Out board Money Can Buy

**Class leading performance and economy

National Factory Hull and Trailer warranty 3 +3 = 6 Years Only with Mercury,Pay Less Live More

This Yellowfin YF70 is your opportunity to get on the water in a premium 7m Yellowfin plate alloy Hull loaded with Standard features and few factory must have options powered by what is pure and simple the Best 200hp Outboard Money can Buy!

What makes it so good ? Pure and simple this 3.4L V6 from Mercury is significantly lighter has more cubic capacity than its inline 4 Cylinder competition and with more cubic capacity and less weight what you get is a super responsive boat that gets up on the plane faster and more easily(What you need for safe Bar Crossing)Plus at mid range to high speed cruising this motor uses les fuel simply sensational. Plus it is noticeably is quieter and smoother and comes with a 6 Year National Mercury warranty sensational more power less fuel and better warranty!

Plus the Mercury marine industry only 3 year corrosion warranty is pure and simple as good as it gets in outboard world!

This package has been optioned to get you on the water in a 7m plate alloy Yellowfin paired with what is considered the Best 200hp EFI four stroke money can buy and optioned with what you need to actually go boating with no more money to be spent with the primary goal of creating a no compromise champagne package on lets say a premium Beer budget and no matter how you look at it this specific Boat motor and trailer combo is about as good as it gets.

Yellowfin YF70 Cabin is a proper offshore boat constructed from 6mm 5083 Alloy plate for the Hull and transom with 4mm every where else including the fully sealed and welded self draining deck, the hull has a 2.4m beam and a 20 degree variable deadrise all working together to provide a ride that is noticeably better than the competition.

Fitted with a plethora of standard features like plumbed live bait tank proper transom door and cabin big enough for two adults to actually sleep in and combined with some choice factory options this package is your opportunity to get on the water now for significantly less than like boats with half the ability!

The Boat rides on a Premium Alloy I-Beam Full roller Drive on trailer with an ATM of 2600kg and with the Actual ATM being 2076.66kg as optioned full of fuel ready to go allows you the ability to load up to 523.34 Kg of additional gear equipment and or beverage and best part at 2600 ATM this package is easily and legally towed by just about any duel cab Ute! In reality you will never be close to the limit enabling you to explore our coastline in total confidence and you have to like that
